- A&S

 - Possibly enlist Laurels to start advertising to their Apprentices
- Scheduling
 - Fighting scheduling:
 - Rapiet tunnel battle went longer than was scheduled
 - Heavy fighters mis-read schedule and attempted to have tunnel battle before lunch instead of after
 - Picket signs/tri-fold boards especially at newcomer's point
 - Pre-registered gets schedule/map print-out
 - Curia – If TRM decide to host another, schedule for breakfast or lunch, not during “event time”
- Food
 - Fundraiser Lunch
 - Sold out this year!
 - Worked out well with the herald schedule
 - Having all of the information available for heralds or at newcomer's point (e.g., ingredients, what's being served, etc.)
 - Feast
 - No feasts at Gatalop.
 - Went over budget and lots of food waste.
 - Autocrat takes responsibility as did not tell Feastcrat to scale down on prep
 - Lots of mess left after event and after Feast-crat left site.
